

Help build a strong & vibrant School Community
Support the School One PTA 2019/2020!

Welcome to the 2019-2020 School Year!

The PTA (Parent Teacher Association) is a non-profit organization that supports School One through fundraising, volunteerism, programs and events. We encourage you to join our network of empowered, informed, and responsible parents, teachers, and school administrators.

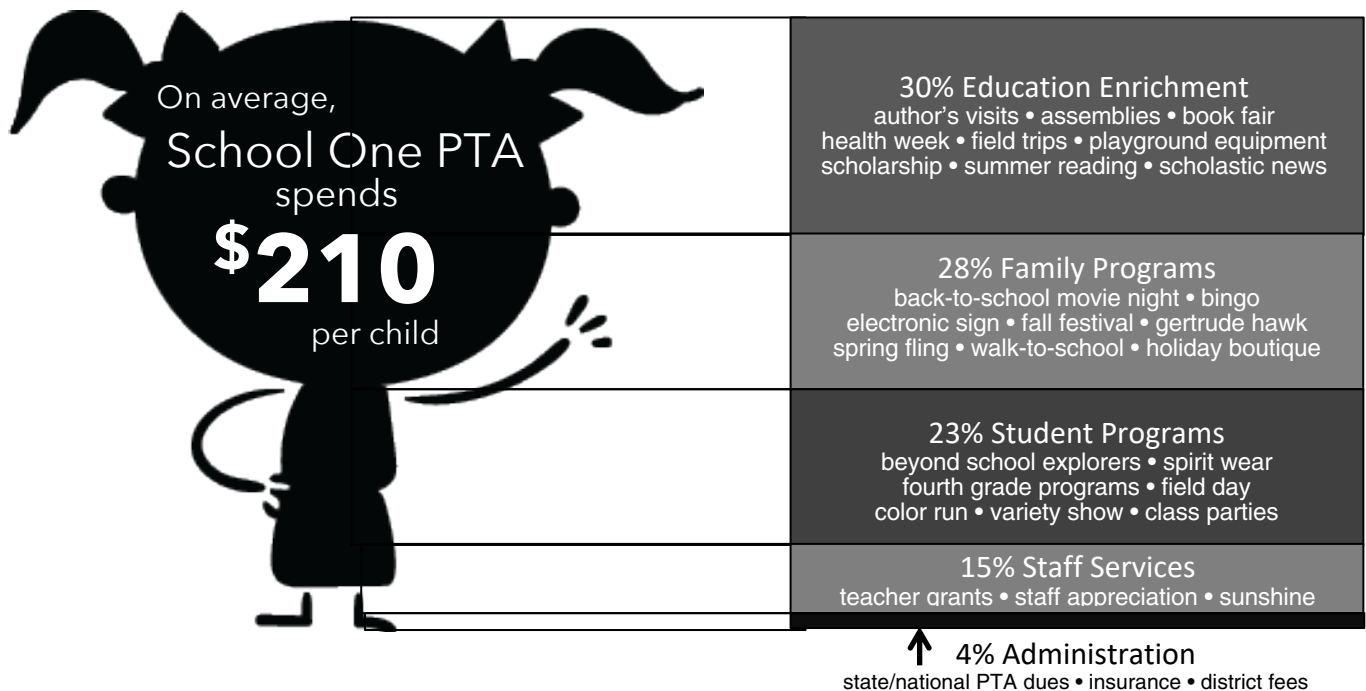

This year's membership drive will be online through MemberHub. We also use MemberHub for event admission and other sales. This is a digital platform that the NJ PTA has implemented statewide and will be a huge timesaver for everyone. Don't worry we'll still be using Facebook, eBlasts and flyers for communication.

Visit schoolonepta.memberhub.store to join.

Please note there is a convenience fee of \$0.75/individual and \$0.99/family memberships.
If you'd prefer to send a check/cash you can use the membership form in this packet.

And if you need a little extra encouragement...everyone who joins the PTA this year will be automatically entered to win an Echo Dot!!!! (1 per grade level, and 1 for staff, too!)

Ever wonder where your PTA dollars go?

Any questions please do not hesitate to contact Debbie Fitzgerald at schooloneptapres@gmail.com.
