

Help build a strong & vibrant School Community

Support the School One PTA 2019/2020!

Dear Families,

I just wanted to take this opportunity to welcome you back to School One. We had a great year last year, and are looking forward to another one. Because of your participation the School One PTA was able to give our teachers close to \$10,000 in grants, all of which goes right back into the classroom. Every student will receive either Scholastic News or Time for Kids courtesy of the PTA. We are also able to continue to subsidize all of our students' field trips.

All of that is possible because of our members and volunteers. The easiest way to help School One is to become a member of the PTA. Your membership gives School One access to a national network of grants and programs. It gives YOU discounts at many national retailers (<https://tinyurl.com/y4fg26jr>).

We hope you'll consider becoming a member this year. Last year, we increased our membership by 36.6%. I think we can do even better this year! And remember, every member is automatically entered to win an Amazon Echo Dot, 1 per grade level and 1 for the staff too!

Here's to a great year!

Debbie Fitzgerald
School One PTA President

SCHOOL ONE PTA – MEMBERSHIP FORM

We encourage you to use our new ONLINE system at schoolonepta.memberhub.store

****Only fill this out if you are paying via check or cash. Please read all of the options and print legibly. ****
